ABOUT

iFCast Consulting is one of the premier consultancy services in India that offers manpower solutions for dreamers and enablers. Our service offerings move through a wide range of functions making us a multi-dimensional placement organization.

With a modern consulting model, we have disrupted the conventional approach that gives us a clear advantage over our competitors.

Our recruitment personnel provide bespoke consultancy services tailored for each company and job-seeker. At iFCast Consulting, we take up the challenge to source the best suited work-force for your industry. We do increase the productivity of the recruitment process at competitive pricing.

As per our core values, we would do our best to provide the best services for our clients and potential candidates. We are a client-centric organization that works in a direction desired by our esteemed clientele.

We create the best value for dreamers and enablers through long-term partnerships, flexible services, and a comprehensive suite of domains we serve.

Our Mission

"To place people and companies at the center of high-caliber man-power consulting."

Our Vision

We strive to achieve our vision through –

- *Strong Partnerships with Candidates and Clients*
- *Personalized man-power consulting services for Candidates and Clients*
- *Development of our professional knowledge-base*
- *Resolute consulting deliverables*

ENABLERS (Recruiter) SERVICES

We offer a comprehensive suite of customized, research based, and high-quality recruiter services to position your organization through global talent acquisition and service capabilities.

1

HelpMeHire

Recruitment at its very best

Help me hire is a fast-paced candidate seeking service for freshers, entry-level, middle & senior level, and executive search. Our technique includes finding the right candidate through recruitment consulting expertise and contacts to support your requirements. Help me hire ensures you get good candidates for your job profile or requirement. iFCast Consulting helps companies facing talent acquisition problems whilst offering more than just a crowd so that you get to focus on your business processes, while we do all the heavy lifting. We thrive on a high-level professional chain, industry knowledge, and internal research to identify the right kind of hires.

- FRESHERS – ENTRY LEVEL HIRING
- MIDDLE AND SENIOR HIRES
- EXECUTIVE SEARCH

2

PickForMe

We build great hires for you

Pick-for-me is a premium consulting service from iFCast Consulting, wherein we source the best candidates by pre-screening each one based on your requirements. Our pre-screening approach works on our core values and inspection of potential candidates for skill-sets, certifications, aptitude, & more. We, at iFCast Consulting are dedicated towards unleashing the potential of a candidate by assisting enablers and dreamers match industry demands and human capabilities. Our team of recruitment consultants follow a planned selection process that uses modern technology and a detailed research on the latest market trends through exhaustive skill assessment, validation procedures, position briefing, and more.

3

ConductMyDrive

Prominent College Placement Services

At iFCast Consulting, we conduct programs in colleges and institutes to place the right candidates in their final year. The most important motive of conduct-my-drive would be shortlisting candidates or pick applicants according to the requirements. This process reduces the time, effort, and cost to trace the right institutional talent. Our screening process would include – pre-placement talks, technical skill-sets, written test, technical interviews, group discussions, formal interviews, and more. We provide exhaustive placement services for colleges and companies who want to organize placement drives for hiring candidates.

iFCast Consulting offers specialized consulting to service the true need of each dreamer. We believe in creating stronger partnerships with our candidates in order to provide the best organizations at the right time.

1

BoostMyProfile

Stay ahead from the rest

Boost my profile is a one-of-a-kind service for dreamers wherein targeted profiles are sent to potential recruiters for quick placements. With a strong recruiter network, we boost dreamer profiles through resume screening and understanding client requirements.

It's a win-win situation for both dreamers and enablers as clients experience faster onboarding and dreamers don't have to wait for their dream job. We thrive to serve every position and individual, be it freshers, middle and senior level, and executive positions.

2

BeMyGuide

Setting and achieving goals with experience, quality, and productivity

If you're looking at professional grooming before an interview, then Be My Guide is a one-of-a-kind service for dreamers wherein they experience professional career counselling or career enhancement sessions from industry professionals. We also have a team of in-house specialists to prepare dreamers for interviews through interview guidance sessions that includes getting to know individuals through data gathering, creating awareness, behavior assessments, decision making, and creating an action plan.

3

BuildMyResume

Outstanding resume writing services

Building a resume isn't as simple as it looks and sounds. Build My Resume is a premium resume writing service for dreamers to get the first impact right. Your resume has a few seconds to create that wow impression. An ordinary resume may cost you your job and incur heavy costs on multiple failed attempts over a long-term view.

At iFCast Consulting, we have the best resume writing talent, expertise, & experience to develop a fully personalized resume based on various parameters viz. educational background, functional experience, strong-points, and career ambitions. We build your resume from scratch & craft each sentence to highlight your profile overview so that your resume gets noticed and picked-up by recruiters and various automated systems. Our resume writing services are built for every experience level to crack their dream jobs.

OUR CORE VALUES

iFCast Consulting was built on 5 strong pillars - ARRCC. These core values have carved a niche for our hiring decisions and the path we walk on to add value for our dreamers and enablers.

ANSWERABILITY

Good consulting means doing what we promise. We help guarantee client expectations are met through robust accountability and a dedicated team of individuals.

RESPONSIBILITY

This is the first and foremost value that we engage upon, and has proved to be an essential differentiator between ordinary and great. We are committed to our responsibility as we know, no amount of great skill can replace the virtue of commitment for our dreamers and enablers.

REGARD

Every project or client is new, and they do trust us with their business values. Their trust to get the job done and our commitment to get the right talent is what separates us from the ordinary.

COMMITMENT

Every project or client is new, and they do trust us with their business values. Their trust to get the job done and our commitment to get the right talent is what separates us from the ordinary.

CHARACTER

As placement entities, we are exuberant in providing the best hires or talent who exhibit strong character and integrity, with professional skills and dedication for our enablers.
